

Bring Your Imagination to Life.

Located on the Eastern seaboard in Virginia Beach, Virginia, Old Beach Village is an exciting community of condominium homes just two blocks from the oceanfront.

Year-round temperatures that are mild in nature with easy access to beaches, mountains, metropolitan areas and other coastal regions, have made this southeastern corridor one of the most desirable places to live on the eastern coast.

An abundance of golf courses, natural parks and public beaches as well as fishing, biking, hiking and boating, are just a few of the reasons many choose to call Virginia Beach home.

Discover Old Beach Village and discover the community that is destined to become the popular choice for year round residents.
